LONG CREEK BAPTIST CHURCH

The film is in the drawer labeled "Misc Records GA, KY, NC, VA

The box says

 L                    County, Georgia  
 Microfilm

First image on the film is the number 114 written in  
 magic marker or grease pencil.

Second is a negative image of what appears to be a  
 card from a card catalog. It says:

 Vol. I, 1786-1883  
 Vol. II, 1884-1912

 Vol. IV, 1922-1951  
 Loaned by George W. Ivey, Jr., Clerk, Long

   for microfilming purposes.  
     1954

The next image is again written in magic marker or grease pencil and  
 says "Reel 181"

The film is then a series of negative images of facing pages. The first  
 image is of pages 0 and 1. Page numbers are written in the upper  
 corners; even number are on the upper left and odd numbers are on the  
 upper right.
